Now, when you find a title of a program you want to save to your playlist, you can click on the "Add to Playlist" link by the title. Once you click on the link it will add that title to your playlist.

The screenshot displays the Learn360 website interface. On the left, there is a navigation menu with categories such as SUBJECT AREA, GRADE, MEDIA FORMAT, RELATED SEARCH TERMS, STATE STANDARDS, COMMON CORE STANDARDS, 21ST CENTURY SKILLS, BROWSE PLAYLISTS, and BROWSE SLIDESHOWS. The main content area shows search results for 'Volcanoes'. Two video entries are visible: 'Into the Volcano' (Grade: 6-8, 9-12) and 'Volcanoes' (Grade: 6-8, 9-12). Each entry includes a thumbnail image, a duration, a description, and a copyright notice. To the right of each entry are links for 'FULL VIDEO', 'Add to Playlist', and 'Add to Assignment'. A text box at the top of the page explains how to use the 'Add to Playlist' link. An arrow points from the text box to the 'Add to Playlist' link for the 'Volcanoes' video entry.

STANDARDS

Into the Volcano
Grade: 6-8, 9-12
Documents a photographic expedition into the Marum crater on Ambrym Island, Vanuatu. Presents characteristics of the volcano and discusses challenges of the volcanic environment and in relations with the local people.
©2000, National Geographic.
[30:00]

STANDARDS

Volcanoes
Grade: 6-8, 9-12
Series: Extreme Environments
Volcanic eruptions are devastating, often killing thousands and displacing many more, yet people continue to reside near active volcanoes as the ash and lava enrich the soil.
©2008, Worldwide Academics.
