CCRN Warm Line Inclusion Specialist

**FREE Consultation Support for Child Care Centers,
Family Child Care Homes & School-Age Programs**

The Warm Line is a FREE program to offer assistance and consultation to support quality, inclusive child care and education for all children, including those with disabilities, challenging behaviors, or special health care needs. Any early educator should contact the Warm Line if they have concerns or are not sure how to best meet the needs of a child.

Types of support:

- ◆ Ideas and suggestions for making accommodations or adaptations to the child care environment to create inclusive classrooms.
- ◆ Resources, recommendations, information, and specific strategies to respond effectively to the array of behaviors children may exhibit.
- ◆ Training opportunities on a range of topics related to child development, child care environment, challenging behaviors, assessment, and inclusion.
- ◆ Assistance on engaging parents as partners and sharing difficult messages.
- ◆ Information on services and resources available through other agencies.

Assistance and consultation by:

- Phone calls
 Emails
 On-site visits
 Resources and information

Expect a response to a Warm Line request within 2 business days.

Contact **Molly Clement**, CCRN Warm Line Inclusion Specialist, at the phone number or email listed above.

Molly works with Jackson County Early Intervention/Early Childhood Special Education and is also coordinating the CCRN Warm Line to support early learning programs. Call the Warm Line with concerns, for ideas or suggestions, or just to talk over a situation.
