

You're invited.

Come see the iPod & iPad Mobile Learning Innovation program in action.

Join us for a visit to Canby School District to see a one-to-one program that engages all students. Learn how the technology infrastructure supports innovation in teaching and learning. Hear from members of the school community and visit classrooms to discover the possibilities that mobile learning provides. Here's what you can expect during your visit:

- Hear from Canby School District administrators on the successes they're experiencing with student achievement gains in reading and math.
- Learn why the district chose to implement iPod touch and iPad in their classrooms and the strategies they've used to manage these learning tools.
- Visit multiple classrooms and have the opportunity to speak with teachers and students learning with these mobile technologies.

Agenda

- 8:30 a.m. Welcome and introductions
