

## Southern Oregon Digital Learning Meeting

**Time:** 9:00 am – 11:00 am

**Date:** 3/13/2014

**Location:** Southern Oregon ESD Upstairs Conference Room

**Agenda:** Using hands-on activities, Rob Saunders from Three Rivers School District will show how to use a learning management system to differentiate instruction and provide interventions for students to earn opportunities for re-assessment of proficiency on standards. He will also share data regarding student achievement gains.

Please bring your internet enabled mobile device/computer (smart phone, tablet, laptop).

- Presentation - Overview of Concept and Process in Classroom
- Hands on Activity:
  - Assignment in area of non-proficiency
  - Login / complete activity (instruction is differentiated)
  - Submit assignment / take practice test
  - Teacher reviews formative assessment as re-qualifier for re-assessment
  - Other individual 1:1 strategies with students
