# Site-Based Classroom Set-Up Design & Structure

**August 20, 2019  
8:30am-12:00pm**

**Cost = FREE!**

**Structuring the classroom environment to fit the needs of students in life skills classes is essential to plan ahead.**

In this training we will discuss the physical space and how to use the space effectively to provide movement for students and various areas to facilitate different activities. In addition, we'll cover the need for visuals starting with basics of daily schedules and transition cues. We will also touch upon structuring appropriate work activities for students with unique, individual needs

Target Audience: Site Based Life Skills Classroom Teachers, Speech-Language Pathologists, Educational Assistants, and other professionals working with students in a site-based setting.

PDU: 3 hours

Presenter: Cynthia Fuglsby, SOESD Behavior Specialist
