Purpose of Meeting: The Southern Oregon Early Learning Hub's Agency Advisory Council has identified educational preparedness for young children of color in Southern Oregon as a priority focus area. We are convening partners representing early learning, K-12 education, high education, health sector and culturally specific family-serving organizations to drive this work forward. Families with lived experience will guide our work.

Agenda

- Welcome & Question: What is something fun you have done during this great weather we've been having?
- Quick Recap of February Meeting
- Review and feedback of draft Shared Vision
- Professional Learning & Discussion: Floyd Cobb & John Krownapple's *Belonging Through a Culture of Dignity*: Introduce Chapter 4 - Beyond Strategy: Culture
- Other Business
