MAT

We do not dose!

We receive referrals from clinics that would like clients to have added support.

Weekly MAT groups

Check in with counselor at a minimum 1 time monthly

# Peer Support

An individual providing peer  
delivered services to an individual  
with similar life experience

---

# Navigators

This a DHS Contract

Navigator Services may be suggested to families who have barriers to getting their children back.

Navigators will work with clients to removing barriers including but not limited to:

- Housing
- Substance Abuse
- Mental Health
- Employment
- Driver's License

Housing

- 
- This is also a DHS Contract
  - Families that are within 30 days of return of their children.
  - 8 Units
  - Must be enrolled with Adapt
  - Participate in Treatment (groups & individual sessions)
  - 6 months or more
  - Work with Peer Support to remove barriers of sustainable long term housing

ART

---

Addiction Recovery Team

# How To Get Started

- Client Can Call or Walk In
- If we have an available counselor to do an assessment they will be scheduled that day.
- We will attempt to get them scheduled within two days of inquiring about services.
- Client will have an assessment completed.
- Client will help counselor develop treatment plan goals.
- Client will be assigned a Primary Counselor and given a Group Schedule (if an adult).
- Appropriate referrals will be made for Mental Health needs.
- If a client needs detox or residential services, the appropriate ROI's will be signed and assessments will be sent to locations that client is willing to go to.
