Finalize Agenda for June ECE Workforce Committee

Have at the top or end of the meeting (Rene will confirm with Jim): Mary, Jim and Greg were going to meet before next meeting. Add agenda item re this.

Discuss summer enrollment issues.

Update on all the funding coming in to support professional development.

Possible update on Eileen's efforts with CCRN: Research streamlining process for someone who is already an aide, to get up to a lead teach qualification. What will that look like. Multiple classes, receiving a stipend for taking those classes.

Update on Project Youth Plus's intern project with SOELS and CMHS. Maybe even Jenn Perry to give her perspective of the effort. Grants Pass High School is interested in this model. (Gladiola HS).

Governance Council Membership

Lisa's second term and final term expires in August. We'll acknowledge her in August. Family and Education representative position will need to be filled. General announcement hasn't been effective. Individual contact and invitation to apply has had good results. We'll do this again.

Geoff's first term as co-chair is complete. Rene will follow up with him to see if he wants to have a second term.

Good news: the \$1.4 million cut to the Hub's budgets has been rescinded. Should be reinstated at current service levels. There may be changes due to the ELD funding formula changes. We should know more soon.
