Attendees: Katherine Clayton, René Brandon, Vicki Risner Absent: Geoff Lowry, Scott Beveridge (ex)

Potential Change of meeting frequencies

Rene: With the sheer volume and burnout of people attending Zoom meetings, I would like to propose a reduction of committee meetings to keep attendees fresh and participating.

Katherine: I appreciate your looking at this. I believe this will be welcome and actual entice people to participate more. Better use of people's time and quality of work that will be done.

Rene: The bylaws do not currently state monthly meetings. They actually still state every other month so no Governance Council approval is necessary. I will talk about this at the March meeting.

Katherine: I will join you in presenting this. This will allow us to present our best foot forward when we do meet. A wellness opportunity.
