Hello! I'm **Jill Conant** current Chair of the Malheur ESD Board of Directors. I wake up every morning to the sun rising over the Snake River. So that means I live in *very* far Eastern Oregon. I was born here, and I've been married to a man two weeks older than I that was also born here. We've been married for almost 51 years and purchased his family farm. We have two adult married children, 8 (almost) adult grandchildren, 3 great-grands, three dogs, three cats, 40 head of cattle, and a flock of chickens.

My family moved many times when I was young. I was the "new kid in school" six different times before I was 11. My eyes didn't move at the same time, I was short and fat, I had a lisp, and really curly-hard to keep neat hair. I was poor. But I didn't know it. I just knew I was a kid. Like everyone else.

One of my grandchildren once asked me how many jobs I'd had in my life. Many. I've worked in: restaurants, movie theaters, grocery stores, as a farm hand, and on a road crew. I've been, a mom, a grand-mom, an aunt, a 4-H leader, a Parochial school board member, and served on a Road District Board.

I thought I was accomplished, and then I became a teacher. I got my degree when I was 30. I believe my life experiences helped me understand the needs of my students. I spent 28 rewarding years in the classroom meeting the needs of my students to the best of my ability. Each student came with their own experiences and needs. If I didn't have the tools to meet their needs I researched, turned to ESD experts, and learned to help the student become a learner.

My experience with the ESD began with my daughter. She was premature and her auditory nerve didn't fully develop. The ESD hearing test found her impairment and she was assigned a hearing specialist who stayed with her K-12. The Malheur ESD Summer Institute supplied great learning options for me and I was able to teach there as well. They give so much to our community I was humbled when I was elected to serve on the board in 2015.

I'm a teacher. I'm a learner. I believe that each human that crosses my path brings their knowledge to me, and I share mine with them. Everyone is valued. Everyone is worthy. Everyone is on a level playing field in my eyes.

That is why I would love to be part of the leadership team for OAESD. Because I believe all kids are valued, worthy, and like everyone else. Their situations are different- their hearts are equal. It's OUR job to make sure we do everything in our power to teach them and learn from them. I want to help.

Director Cummins has been in the Linn-Benton area since 2006. She has two school-aged children. She graduated from Oregon State University with a Bachelor of Arts degree in Spanish, with a minor in French. Mrs. Cummins previously worked at Linn Benton Lincoln ESD as one of the two Spanish Interpreters with the Special Education Evaluation Services. She now works with the Salem Keizer Coalition for Equality, a non-profit that helps Spanish speaking parents become empowered, trained advocates for their children's education. She has always been an advocate to Spanish speaking families and serves as a Board member to Padres en Accion|Parents in Action, a non-profit organization helping parents and schools to bridge the gap between

special education and the rights of the children with disabilities. Having been born in Mexico and coming to the United States at age 8 to the coastal town of Coos Bay, she experienced and saw the need to have Latino representation in the schools and advocacy to Limited English Proficient students and parents. She has then made it her goal to ensure that outreach and information is given to all parents, regardless of race, ethnicity, disability and language.

**2021-2022 Southern Oregon ESD  
RESOLUTION #10  
May 18, 2022**

**BE IT RESOLVED** by the Board of Directors of Southern Oregon Education Service District that the following supplemental budget changes are made for the 2021-2022 fiscal year:

**General Fund:**

5300 – Apportionment of Funds	<u>\$ 556,845.00</u>
Total General Fund Budget Change	<u>\$ 556,845.00</u>

The above change will result in an increase to the total General Fund from \$25,889,265 to \$26,446,110.

Reason for the supplemental budget: The need for this change to the general fund budget is the result of increased funding received from the State School Fund for the 2020-2021 and 2021-2022 fiscal years.
