**Meeting ID: 487 642 8933**

**Dial by your location**

**+1 253 215 8782 US (Tacoma)**

**Meeting ID: 487 642 8933**

**Purpose of Meeting:** The Southern Oregon Early Learning Hub's Agency Advisory Council has identified educational preparedness for young children of color in Southern Oregon as a priority focus area. We are convening partners representing early learning, K-12 education, high education, health sector and culturally specific family-serving organizations to drive this work forward. Families with lived experience will guide our work.
