Communications SOESD Superintendent's Schedule of Meetings for March, April, and May 2023

Superintendent Beveridge reviewed his calendar of scheduled meetings for the months of March, April, and May 2023. Mr. Beveridge noted meetings in his calendar regarding CTE Programs of Study and Career Connected Learning, as well as continued discussions and presentations with the region's special education directors and superintendents to provide a tiered behavioral support model, as

requested by local districts.

Superintendent Beveridge reported that he and members of Cabinet continue to visit SOESD-operated classrooms and program meetings to build relationships with staff, learn about their work, and identify ways in which the leadership team can support them. Superintendent Beveridge's schedule also includes strategic planning preparation, meetings regarding the SOESD Phoenix campus reconstruction, and meetings with CFO Weaver to develop the 2023-2024 proposed budget in preparation for the May 10, 2023 Budget Committee Meeting.

Administration

- A. Phoenix Campus Reconstruction Project Contracts for Early Work Site Package Administration requested board approval to enter into contracts for early site work to commence on the Phoenix Campus Reconstruction Project. HMK project managers, Mike Freeman and Brandon Reid, were in attendance to provide details and answer the board's questions about the recommendations for two contract awards. CFO Weaver explained that ODE wildfire grant dollars will be used to pay for the site work expenses, which are excluded from insurance funds.
 - HMK Company recommends awarding the Guaranteed Maximum Price (GMP) Amendment 1 for the Early Work Package to Adroit Construction Company in the amount of \$2,224,970.00. The original contract amount of \$75,000.00 was awarded to Adroit Construction Company in April 2022. This amendment for the Early Work Package will bring the total not-to-exceed contract sum to \$2,299.970.00.

IT WAS MOVED BY MEMBER MANNENBACH, SECONDED BY MEMBER POWELL TO:

C. Authority to Layoff/Reduce in Force

As a yearly proactive process, administration requested authority to layoff/reduce in force for fiscal year 2023-2024 should it become necessary. There are several reasons for this request, including district selections in the Choice & Equity model for delivery of Special Education Services, possible reductions within other ESD Local Service Plan programs, and funding shortfalls, should they occur. Superintendent Beveridge and Director Peck reported that no positions are currently identified for reductions for the 2023-2024 fiscal year.

IT WAS MOVED BY MEMBER MANNENBACH, SECONDED BY MEMBER POWELL TO:

Authorize administration to layoff/reduce in force for the fiscal year of 2023-2024.

MOTION CARRIED 7-0

D. Budget and Legislative Update

Superintendent Beveridge provided an update on budget and legislative activity impacting education. He noted that there are many new legislators in Salem, with over 3000 bills introduced, and about 600 of those related to education. The local superintendents are tracking about 30 education-related bills that could be of impact. Several bills, if passed, would add reporting requirements. Superintendent Beveridge is tracking Governor Kotek's proposal on early literacy and discussions impacting Regional Inclusive Services (RIS). State funding for RIS has not kept pace for many years, and federal funds used to increase funding for RIS are set to expire.

Governor Kotek's proposed budget for the 2023-2024 biennium recommends \$9.9 billion in State School Funds (SSF); data shows \$10.3 billion is needed to maintain current service levels. The Co-Chairs' proposed budget from the Joint Ways and Means Committee is expected to be released in March. The Oregon Economic Revenue Forecast is due out on May 17, 2023. The upcoming release of the co-chairs' proposed budget, economic forecast data, and other legislative outcomes will provide a clearer picture of anticipated revenue as CFO Weaver and Superintendent Beveridge develop SOESD's

- proposed budget for the 2023-2024 fiscal year. June 25, 2023 is the mandated end of the legislative session.
- E. Phoenix Campus Reconstruction Update CFO Weaver provided an update on reconstruction of the SOESD's Phoenix Campus that was destroyed in the Almeda Fire on September 8, 2020. The monthly report for February 2023 was provided to board members in advance of the meeting. CFO Weaver reported that negotiations continue with PACE's insurance adjustor. Updated cost estimates may impact the overall project. Options include any combination of scaling the proposed building, increasing the loan amount, or using one-time funds. The Board will be kept apprised as the work to rebuild the campus continues moving forward.
- F. 2023-2024 SOESD Local Service Plan Update Superintendent Beveridge reported the 2023-2024 SOESD Local Service Plan (LSP) has been approved. Votes in favor represent greater than two-thirds of the SOESD's component districts with a majority of the enrolled students, per ORS 334.175. Mr. Beveridge looks forward to reviewing LSP services and structure with component districts.
- G. Strategic Planning Update Superintendent Beveridge provided an update on strategic planning and the process to choose a facilitator. Two finalists have been identified and a facilitator will be selected soon using a reference checking process. The strategic planning process will include activities to gather feedback from various constituents.
