Child Care Resource Network Inclusive Support Line

A FREE program that offers **assistance** and **consultation** to support quality, inclusive child care and education for **all** children, birth through school age, including those experiencing challenging behaviors, developmental delays, or specialized health care needs.

Early educators and parents who have concerns or questions on how to best support a child in care should contact the Inclusive Support Line.

**FREE Consultation Support for Child Care Centers,
Family Child Care Homes, and School-Age Programs**
