SOESD Superintendent's Report

Superintendent Beveridge noted that the evening's agenda included action items on topics that had been a focus of work during the fall. Among those, he noted that the development of the 2024-2025 SOESD Local Service Plan reflected a significant effort to gather and address feedback received from component school districts. Feedback informed development of SOESD's Strategic Plan initiatives that are included in the Local Service Plan. The board's support in approving the plan will allow SOESD to advance it to component district boards for their votes.

Superintendent Beveridge reported that the initial accomplishments of the strategic plan thus far positioned SOESD to meet districts' and students' needs in requested areas. Action plans are being developed for accomplishing work in other areas of the plan during the rest of the school year and beyond. The board can expect that elements of the strategic plan are likely to be reflected in the budgeting process presented for the Budget Committee's approval in May.

Superintendent Beveridge reported that he, Coordinator Townsend, Director Angle-Hobson, and CFO Weaver have been working with ODE, the Jim Pepper Native Arts Council, and the Speak Sing Native Team on a scope of work and deliverables per ODE's request for SOESD to contract for the development of Kindergarten - Grade 12 Speak Sing Native Arts Lessons. The board's support to move this work forward will be requested during the agenda item later in the meeting.

Administration

A. SOESD Local Service Plan, 2024-2025

The Board received copies of the proposed 2024-2025 SOESD Local Service Plan (LSP) in advance of the meeting for review. Superintendent Beveridge explained the LSP development and approval process. Mr. Beveridge explained aspects of the strategic plan included in the LSP, including increased feedback loops, streamlining key systems, and updates to services.

Superintendent Beveridge provided a budget detail example and demonstrated the LSP online tool that districts will use to make their service selections. The online tool provides clarity on agreement between the districts and SOESD, as well as a record of services selected, and can be used by districts as a planning tool throughout the year.

The changes in programs and services to the proposed LSP were explained by the superintendent in a PowerPoint presentation. Those changes include redesign of special education within a new student services division, expansion of student behavioral health and wellness, expansion of career technical education (CTE), the addition of Civil Rights Coordination, converting the instructional media library to a high-tech lending library, increased supports for new teachers, tiered support options for mentoring, and monitoring of cooperative purchasing/warehouses service utilization for continuation or future decreases.

The 2024-2025 Student Success Act Comprehensive Support Plan is included as an addendum to the LSP. Mark Angle-Hobson, Director of School Improvement Services, works to develop the Comprehensive Support Plan based on the priorities and services requested by SOESD's component school districts. The 2024-2025 Comprehensive Support Plan has been updated to reflect the districts' requests for services.

The region's superintendents gave consensus approval for the proposed 2024-2025 SOESD Local Service Plan during a meeting on December 18, 2023. Once adopted by the SOESD Board of Directors, the 2024-2025 Local Service Plan will be forwarded to each of the component school district boards for formal action. The Local Service Plan must be approved on or before March 1, 2024, by at least two-thirds of the component school districts with at least a majority of the student enrollment.

Superintendent Beveridge noted that feedback regarding SOESD services is gathered through a variety of mechanisms. The superintendent and Cabinet members will visit with senior leadership teams of the component districts in the spring to continue receiving input on services provided by SOESD. Mr. Beveridge reported that the discussions with the districts are open and candid, and SOESD intends to respond quickly to address any issues and requests from the districts we serve.

IT WAS MOVED BY MEMBER MANNENBACH, SECONDED BY MEMBER HECOCTA TO:

Approve the 2024-2025 SOESD Local Service Plan.

MOTION CARRIED 6-0

- D. Contract for Services with Jim Pepper Native Arts Council
Administration requested board approval to enter into an agreement with the Jim Pepper Native Arts Lessons. The project, funded through an intergovernmental agreement with the Oregon Department of Education, aims to increase access for both Native and non-Native students to historically accurate, culturally responsive lessons that incorporate the artistic and cultural practices of contemporary Native musicians and artists. In partnership with the Jim Pepper Native Arts Council and the Speak Sing Native Team, work will include development of K-12 Speak Sing Native Lessons, Professional Learning Modules, and trainings to support the statewide implementation of both the Speak Sing Native content and Tribal specific Native Arts Lessons developed by the nine (9) federally recognized Tribes. These supplemental lessons will incorporate both the Oregon Arts Standards and nine (9) Essential Understandings developed for the Tribal History/Shared History Project. Superintendent Beveridge recognized Sean Cruz, Executive Director at Jim Pepper Native Arts Council, and Gary Ogan, Musical Director and Chair, who were in attendance and answered board members' questions.

IT WAS MOVED BY MEMBER VALTIERRA-SANCHEZ, SECONDED BY MEMBER MANNENBACH TO:

- E. Strategic Planning Update
Board members were provided with a copy of the SOESD Mid-Year Strategic Planning Report in advance of the meeting. Superintendent Beveridge highlighted implementation of the 2023-2025 Strategic Plan initiatives that have been accomplished thus far including:
- Organizational redesign of special education programs and establishing the Department of Student Services,
 - Expanding support through the Student Behavioral Health and Wellness program,
 - Expanding support through the Career Technical Education program,
 - Expanding services to help districts with crisis management,
 - Recruiting to increase the number of specialists to expand services to students,
 - Enhancing new teacher preparation to support new teachers in component districts,
 - Launching new electronic tools to streamline processes, increase data transparency, and enhance student learning.
- In future meetings the board will hear reports on the work of SOESD cabinet members and the administrative team to produce step-by-step plans for accomplishing the goals and objectives of the 2023-2025 SOESD Strategic Plan.
- F. Budget and Legislative Update
Superintendent Beveridge and CFO Weaver provided an update on legislative activity impacting education. The superintendent is focused on

two main financial issues during the legislative short session, i.e., funding for Early Intervention/Early Childhood Special Education (EI/ECSE) and Regional Inclusive Services (RIS). Without this funding there will be a significant budget challenge since these programs were not adequately funded in the last legislative session. Legislative action will be needed to appropriate the funds for those programs, and more work after the conclusion of the legislative session will be needed to achieve sustainable funding for the two programs.

Business Services

Phoenix Campus Reconstruction Project Update

SOESD's Phoenix Campus was destroyed in the Almeda Fire on September 8, 2020. CFO Weaver and Superintendent Beveridge provided an update on the reconstruction progress. An independent reconstruction estimate shows a significant gap between the estimate to rebuild the campus as it existed previously and the offer SOESD has received from PACE Insurance Trust. The administrators at PACE are apparently comparing the independent estimate with their re-insurer's estimate. It's been months since PACE received the independent estimate and SOESD has yet to receive PACE's response. CFO Weaver reported that the building site has been winterized, but he is reluctant to do further work on the project until there is more clarity regarding the insurance settlement. Superintendent Beveridge and CFO Weaver continue to hope that a resolution will be reached soon. Next steps will depend on the response from PACE.
