OUR SUPERINTENDENT

I want to share with you my “why”: to be a human-centered leader who helps SOESD become a people-first organization, where the care we extend to one another within the agency fuels our ability to better care for and serve those outside the agency.

This belief guides my decisions, my communication, and my leadership. I know that when we take care of each other, we’re better able to support the students, families, and communities we serve. To help us stay connected, you will receive a weekly email called “Blueprint & Beyond.” It will include updates from across the agency, opportunities to share your story, offer feedback, and more. This is how we grow: together, with clarity, care, and shared purpose.

Mark Angle-Hobson
Superintendent

Thank you for the trust, the heart, and the hope you bring to your work. I’m excited for what’s ahead.

With gratitude and optimism,

Mark Angle-Hobson
ED.D.

PAYROLL

UNDERSTANDING YOUR PAYCHECK

Even Pay

Hourly Rate \times Hours/Day \times Days = **Annual Salary**

Annual Salary \div 12 Pay Periods = **Monthly Paycheck**

Academic

190 Work Days
Sept - June (3 Checks in June)

Year-Round

220+ Work Days
July - June

Note on Calculating Pay: Because your annual salary is divided into equal payments regardless of the number of workdays in a month, multiplying your hourly rate by the specific hours worked this month will not match your paycheck amount.

Pay Schedule

Our payroll schedule ensures you are paid for the current month, while allowing time to process specific details like hourly logs and leave requests.

Here is how the breakdown works:

- 1. Monthly Pay:** Your monthly paycheck is paid current. This means the paycheck you receive on the 20th covers your base pay for that entire month.
- 2. Timesheets & Leaves:** Because we need time to process hours and time-off requests, these items run on a slightly different schedule (from the 6th of the previous month to the 5th of the current month).
 - **The Cycle:** 6th of prior month – 5th of current month.
 - **What this means:** Any overtime, hourly timesheets, or time-off requests submitted for this period will appear on the paycheck issued on the 20th.

Pay days for regular employees is on or before the 20th of each month.
