

# CAREER CONNECTED LEARNING

OUR DEPARTMENT SUPPORTS CTE PROGRAMS THROUGHOUT JACKSON, JOSEPHINEE AND KLAMATH COUNTIES. WE STRIVE TO BUILD PROGRAMS THAT ENHANCE THE STUDENT EXPERIENCE IN BUILDING LIFE SKILLS.

Career Connected Learning (CCL) in Oregon is about bridging the gap between education and the workforce by providing students with hands-on learning experiences that align with their career interests. CCL programs offer students the chance to explore careers, gain valuable skills, and build networks with professionals, all while still in school.

## HIGHLIGHTS OF YOUR WORK

- Create and Support Student-centric Career Explorations, Planning, Preparation, & Training opportunities (YouScience, Team Oregon Builds, Reverse Tours,...)
- Teacher Licensure of new CTE Teachers
- CTE Program certification and data tracking of new CTE high school Programs
- New CTE Curriculum Development for CTE Teachers
- Teacher Professional Development
- Planning/Budgeting/purchasing of PD and equipment for Teachers and Programs
- Supports all district staff with information and training of CTE Career Exploration, Planning, Prep,...
- Act as a Liaison between Industry, WorkForce, Community, and K-12 CTE in the planning and Programs of Study
